

Hormone Balance

Comprehensive Nutritional Support for Healthy Estrogen Balance*

Hormone Balance Supplementation

NutriDyn Hormone Balance is a comprehensive blend of evidence-based ingredients that support healthy estrogen balance and endocrine function.* This naturally flavored formula provides key herbal extracts, bioactive micronutrients, lignans, isoflavones, and antioxidants shown in clinical settings to help balance healthy estrogen levels.*

Proper estrogen balance is key for supporting healthy mood, well-being, energy levels, and a multitude of other functions in the body.* When estrogen is too low or too high, a variety of health issues can manifest. Research suggests that the nutrients found in Hormone Balance:

- Support healthy estrogen balance*
- Support healthy endocrine function*
- Support balanced moods and well-being*
- Promote healthy immune function*
- Promote healthy inflammatory markers*
- Comes in three delicious flavors, including spiced chai, caramel macchiato, and chocolate

How Hormone Balance Works

NutriDyn Hormone Balance features a carefully crafted spectrum of essential micronutrients, antioxidants, amino acids, prebiotic fiber, and bioactive protein for supporting gastrointestinal integrity and function.*

Foundation ingredients in Hormone Balance include diindolylmethane (DIM), calcium D-glucarate, flax lignans, resveratrol, and isoflavones (from kudzu extract and red clover extract), which research has shown act on specific enzymes in the body that mediate a healthy estrogen response.*^{1,2}

Specifically, DIM has been shown to act on certain enzymes that support estrogen balance in the body.*^{2,3}

Similarly, flax lignans and isoflavones appear to act on enzymes, favoring the metabolism of estrogens to inactive metabolites.*⁴ Calcium D-glucarate complements the Hormone Balance foundation ingredients by promoting a healthy balance of estradiol and estrogen precursors.*⁵

Hormone Balance is rounded out with a precise blend of endocrine-supporting antioxidant compounds, such as resveratrol, EGCG (from green tea), curcumin, and grape seed extract.* These ingredients support estrogen balance in the body, acting as phytoestrogens that interact with estrogen receptors.*^{6,7,8} These select antioxidants are also well-known for supporting human health and longevity, particularly by encouraging healthy cardiovascular and immune function.*^{9,10,11}

Why Use Hormone Balance?

Hormone Balance is an ideal nutritional supplement for individuals looking to support their estrogen balance and endocrine function.* This formula is rich in plant-based nutrients and micronutrients that have been thoroughly researched and demonstrated to be effective in clinical settings for a variety of health issues, particularly estrogen imbalance.*

Supplement Facts

SPICED CHAI

Serving Size: About 1 Scoop (32.38 g)

Servings Per Container: About 14

	Amount Per Serving	%DV*
Calories	110	
Total Fat	2 g	3%*
Total Carbohydrate	7 g	3%*
Dietary Fiber	1 g	4%*
Protein	15 g	
Vitamin A (as retinyl palmitate)	375 mcg RAE	42%
Vitamin C (as ascorbic acid)	60 mg	67%
Vitamin D (as cholecalciferol)	10 mcg	50%
Vitamin E	134 mg	893%
(as d-alpha tocopheryl acetate)		
Riboflavin	0.85 mg	65%
Niacin (as niacinamide)	10 mg NE	63%
Vitamin B6 (as pyridoxal-5-phosphate)	5 mg	294%
Folate	400 mcg DFE	100%
(as calcium L-5-methyltetrahydrofolate)		
(BioFolate®)		
Vitamin B12 (as methylcobalamin)	10 mcg	417%
Biotin	150 mcg	500%
Pantothenic Acid	5 mg	100%
(as calcium-d-pantothenate)		
Choline (as choline bitartrate)	50 mg	9%
Calcium	535 mg	41%
(as calcium citrate and from calcium-d-glucarate)		
Iron (as ferrous fumarate and from cocoa powder)	8.62 mg	48%
Phosphorus (as dipotassium phosphate)	115 mg	9%
Iodine (as potassium iodide)	75 mcg	50%
Magnesium (as magnesium citrate)	200 mg	48%
Zinc (as zinc gluconate)	7.5 mg	68%
Copper (as copper gluconate)	1 mg	111%

	Amount Per Serving	%DV*
Manganese (as manganese sulfate)	1 mg	43%
Chromium (as chromium picolinate)	100 mcg	286%
Sodium	190 mg	8%
Potassium (as dipotassium phosphate and from cocoa powder)	385 mg	8%
Flax Seed Extract	2 g	**
Calcium-D-Glucarate	1.5 g	**
Turmeric Extract [root; <i>Curcuma longa</i> (standardized to 95% curcuminoids)]	200 mg	**
EGCG [epigallocatechin-3-gallate (from green tea leaf extract; <i>Camellia sinensis</i>)]	125 mg	**
Resveratrol (from Japanese knotweed root extract; <i>Polygonum cuspidatum</i>)	125 mg	**
Grape Seed Extract (<i>Vitis vinifera</i>)	100 mg	**
DIM (diindolylmethane)	100 mg	**
Kudzu Extract [root; <i>Pueraria lobata</i> (standardized to 40% isoflavones)]	62.5 mg	**
Red Clover Extract [flower; <i>Trifolium pratense</i> (standardized to 8% isoflavones)]	25 mg	**

Other Ingredients: Pea Protein Isolate, Brown Rice Protein Concentrate, Natural Flavors, Cocoa Bean Powder Processed With Alkali, Carob Seed Gum Powder, Silica, Stevia Leaf Extract.

BioFolate® is a federally registered trademark of MTC Industries, Inc.

Directions: Mix one scoop with 8-10 ounces of water or as directed by your healthcare practitioner.

Caution: If you are pregnant, nursing, taking medication, or have a history of breast cancer, consult your healthcare practitioner before use. Keep out of reach of children.
